Subject: Request for Salary Review

Dear Mr.Naman,

I hope this message finds you well.

I am writing to formally request a review of my current salary. Over the past 2 years, I have taken on additional responsibilities and have significantly contributed to Apps and its attractive design in Airline Management System, Hospital Management System and E-Commerce Application,

Some highlights of my contributions include:

- Innovative design: Flutter gives designers a blank canvas to create original experiences that break free from pre-set design systems.
- Reduced testing
Flutter's hot reload feature automatically updates UI content when the code changes, which helps developers find bugs faster. Since the same app runs well on multiple platforms, developers only need to test one codebase.

Given my increased responsibilities and the value I bring to the team, I believe a review of my compensation is appropriate. I would appreciate the opportunity to discuss this in more detail and explore how my role and compensation can be adjusted to better reflect my contributions and market standards.

Please let me know a convenient time for us to discuss this further. Thank you for considering my request. I look forward to our conversation.

Best regards,

Your Sincerarly,

Kirtan Bhimani,
Jr. Application Developer,
